Sounds great. What is the best contact number to use the day of the meeting?

Thanks!

Sarah: In followup to my earlier message, we are still hoping to set up a meeting with the Congresswoman and Region 9's RA as outlined below. At this point any time between 9am - noon on April 2 or 3 would work as well as after 5:00pm on April 1. Thanks for your help with this request.

The issues at the meeting may include an update on EPA's action regarding the Greka oil spills, the Halaco site and any other issues of interest to the Congresswoman. Have a great weekend, Jim

I am contacting you to see if it would be possible to schedule a brief courtesy visit/meeting with Congresswoman Capps and Wayne Nastri, Regional Administrator, U.S. Environmental Protection Agency (U.S.EPA), Region 9. The purpose of this meeting would be to discuss environmental issues in CA's 23rd Congressional District that are of interest to the Congresswoman. We anticipate that a 15 - 30 minute meeting would allow sufficient time to discuss the issues. Mr. Nastri will be in Washington, DC and would be available to meet with Congresswoman Capps on the following date and times:

April 2, 2008 - Between 9:00am - 4:00pm (Except 1:30-2:30)

April 3, 2008 - Between 9:00am - 1:00pm

Thank you for your time and attention to this request. I look forward to hearing back from you.
